

## ABILITY CONNECTION COLORADO'S NEWEST SPECIAL EVENT TURNS 3!

### *Ready to have some fun and make a serious impact for our community?*

Please join us for an amazing day of friendly competition. Teams of two will test their skills at PICKLEBALL, 9 holes of Par 3 Golf and PADDLING across the pool in an inter-tube. It's sure to be one of the funnest events of 2023! Participants will enjoy lunch, competition, auctions, beverages and dinner. Awards will be given out for the best scores.

**What is PICKLEBALL?** Pickleball is a paddle sport that combines elements of tennis, badminton, and ping-pong using a paddle and plastic ball with holes. It is a game that is appropriate for players of all ages and skill levels.

**What is PADDLE racing?** It's YOU or your partner racing across the Valley Country Club pool in an inter-tube. Don't worry this comes last and then you get to enjoy beverages and great food. This portion is optional.

**What is PAR 3?** Golfers need only one stroke to reach the green, followed by two putts, for three strokes total. This will be a 9-hole course, Par 3.

### *Why you should be a part of this unique new event...*

By participating, you're helping support Ability Connection Colorado's Kyle E. Fisher Memorial Fund and Infantile Scoliosis Outreach Program.

The Kyle E. Fisher Memorial Fund began 30 years ago by Brian and Kelli Fisher in honor of their son, Kyle. The fund facilitates individual development for infants, toddlers and preschool children of all abilities and economic circumstances. Each child receives developmental

screening and assessment services, individualized mental health services and comprehensive educational experiences.

The Infantile Scoliosis Outreach Program (ISOP) began 19 years ago by mom, Heather Hyatt Montoya, in a desperate attempt to save the life of her daughter, Olivia. ISOP provides worldwide life-changing Early Treatment Program (ETP) Seminars

for medical professionals and advocates for Early Detection of Progressive Infantile Scoliosis at all Well Baby/Well Child Checkups.

Please invite your family, friends and your company to join you for a fun-filled day while showing needed support for infants and children. Sign up TODAY by filling out and returning the attached form or visiting [PicklePaddlePar.org](https://PicklePaddlePar.org).
