

Join us for Sporting Clays! The 19th Annual Straight Shot Sporting Clay Event to be held on Friday, August 9th at Colorado Clays in Brighton, CO is a Straight Shot for Straight Spines!

The Straight Shot Sporting Clay Event is the perfect destination for amateur shooters to come together and test their skills in a friendly clay shooting competition. With 15 stations to visit, there's plenty of opportunities to showcase your abilities and have some fun. And, with a catered lunch, shooting games, gun drawing, live and silent auctions, and a networking party featuring Halliburton BBQ, the day promises to be unforgettable.

This event benefits Ability Connection Colorado's Infantile Scoliosis Outreach Program (ISOP). Early detection and Early Treatment (ET) are vital to combating and curing Progressive Infantile Scoliosis (PIS), but sadly, scoliosis screening is not part of Well Baby/Well Child Checklists in the US. PIS can cause very significant breathing issues, even in early life. Normally, the lungs continue to develop until a child is at least eight years old. A significant spine deformity can also result in significant rib deformity. The combination of spine and rib deformity can result in a chest that gives the lungs no space in which to grow. ISOP has become an invaluable resource, helping families across the country become better educated about the advances in treating scoliosis, as well as finding appropriate, early treatment for their children with PIS.

Your company's participation is a great way to show support for infants and toddlers struggling with PIS, and is a great opportunity to meet or celebrate friends, clients, employees and customers. So, please join us for a day of camaraderie and competition at this year's event.

Please take a look through the attached packet and let us know if you have any questions or if you would like us to customize a special level to meet your needs.

We look forward to the opportunity to build a mutually beneficial community partnership with you.

Thank you for your time, and warmest regards,

Chris & Kathy Higgins
