Effortless Giving

Give the way that works best for you.

With ColoradoGives.org, it's easier than ever to make an impact. You can support Ability Connection Colorado using the payment method you prefer—credit card, bank transfer, PayPal, Apple Pay, Google Pay, or even through an IRA, donor advised fund (DAF), wire transfer or gifts of stock.

Google Pay

Investment Vehicles

Enjoy the convenience of using investment vehicles on ColoradoGives.org. Choose your payment method at checkout, and Colorado Gives will email you simple instructions to complete your gift.

IRA Use your IRA Charitable Distribution, also known as Qualified Charitable Donation (QCD).

Donor Advised Fund (DAF) Use your donor advised fund from Fidelity, Schwab, Vanguard, Colorado Gives Foundation or any other organization.

Wire Transfer ACH or wire transfers are accepted.

Please note from Colorado Gives Foundation: Fees are waived for gifts of $100,000+ made using an IRA, DAF or wire in a single transaction. Donations from a DAF at another institution may have minimum distribution requirements. We recommend checking with your fund manager before making a donation. If you send funds without making a submission through the ColoradoGives.org checkout process, we will attempt to contact you to clarify intent. If we cannot identify or reach you within 30 days, the funds will be directed to Colorado Gives Foundation's unrestricted fund. If your payment exceeds your cart total, any additional amount will be directed to Colorado Gives Foundation's unrestricted fund.

How It Works

1. Add Ability Connection Colorado to Cart: Select Ability Connection Colorado and add us to your cart. Then select 'Donor Advised Fund (DAF), IRA, Wire' as the payment method at checkout.

2. Send Colorado Gives Foundation Check: After checkout, you'll receive an email with detailed instructions on how to send a check to Colorado Gives Foundation.

3. Colorado Gives Foundation Distributes the Funds: Once they receive the check, they will send an email when the funds have been distributed to Ability Connection Colorado.

Important: The date you submit your cart online is not your donation date. We will send you an email confirmation when we have received and processed your funds.
